

CONNOLLY
GALLAGHER LLP

Delaware Corporate Counseling

Connolly Gallagher counsels Delaware corporations, LLCs, and other Delaware entities on governance issues and transactions involving the Delaware General Corporation Law, the Delaware Limited Liability Company Act, and other Delaware laws applicable to Delaware entities.

We frequently partner with corporate in-house counsel and outside corporate lawyers to provide advice on issues involving fiduciary duties of directors, officers, and managers, and interpretations of the Delaware General Corporation Law and alternative entity laws.

We provide transactional advice on mergers, acquisitions, going-private transactions, financings, contests for corporate control, consent solicitations, stockholder meetings, and a variety of other transactional matters.

We guide boards of directors to comply with best practices under Delaware law, including the formation and functioning of special committees dealing with interested director transactions, corporate opportunities and other potential conflicts of interest.
