GALLAGHER LLP

Trusts and Estates

Connolly Gallagher's attorneys practice extensively in all bands of the trusts and estates spectrum in both Delaware and Pennsylvania: planning at all levels of complexity, for both individual and bank and trust company clients; administration, whether representing trustees, executors, and other fiduciaries, or beneficiaries, in harmonious or difficult circumstances; and - where necessary - litigation, ranging from will contests and other estate controversies to trust disputes at the highest levels of stakes and sophistication.

Three of our partners are fellows of the American College of Trust and Estate Counsel (ACTEC), placing our firm in exclusive company among its Delaware peers. In addition, multiple partners in our Trusts & Estates department have been honored by Chambers High Net Worth, Best Lawyers, SuperLawyers, and as Top Lawyers by Delaware Today magazine, and our department is ranked by both Chambers High Net Worth and Best Law Firms.
